

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

APRIL 13, 2010

AG DAY LA for 2010, APRIL 21 and 22, 2010

The Los Angeles County Department of Agricultural Commissioner/Weights and Measures, the Los Angeles County Farm Bureau, California Women for Agriculture, and the 48th District Agricultural Association have joined together to form a foundation whose mission is the annual production of an event, "AG DAY LA", to introduce agricultural sciences to students.

This year's event will be held April 21 and 22, 2010. "AG DAY LA" for 2010 will be held at the Fairplex in Pomona and is being hosted for the 3rd year by the 48th District Agricultural Association as part of their annual School's Agriculture and Nutrition Fair. AG DAY LA will present displays and learning stations to educate our children about where, how, and by whom food and fiber are grown. The Schools' Agriculture and Nutrition Fair is an established venue which draws more than 4,500 students from all over the County. The program will be focused on third and fourth grade students to enhance their current curriculum, which includes California history and its agricultural heritage.

I, THEREFORE, MOVE that the Board of Supervisors Proclaim April 21 and 22, 2010 as "AG DAY LA" for 2010 throughout the County of Los Angeles and urge all citizens to recognize the efforts being made to make our children well informed, healthy consumers and to educate them about agriculture and the agricultural heritage of Los Angeles County.
